JUST JESUS

Suffering King Mark 14:26-42

Application

Read Mark 14:32-42. What evidence is there at Gethsemane that Jesus is also fully human?

Read Hebrews 2:14-18. According to these verses, what do you notice about Jesus' humanity?

How should Jesus' experience in Gethsemane encourage us when we feel overwhelmed, depressed or anxious? (see also Hebrews 4:14-16)

Read Mark 14:26-42. What differences do you recognize between Peter and Jesus in these verses?

Do you ever respond to suffering in the same way as Peter (i.e. pride, fear, frustration)? How does Jesus present a better model to follow?

Jesus experienced and embraced pain. What stands out to you this week in Jesus' response to suffering?

Prayer ideas: Jesus' response to the hardship was to cry out in humble dependence on His Father, ultimately submitting himself to God's will. Share a challenge you currently find overwhelming with the Lord and a trusted friend.

Thank God that he has provided a faithful High Priest who understands your suffering. Ask Him to help you depend on Him and submit to His will amid whatever you are facing.
