JUST JESUS

Suffering King Mark 14:12-25

Application

When Jesus said that someone was going to betray Him, some of the disciples asked Jesus, "Is it I?" In a setting like that, do you think you are more likely to overestimate or underestimate your ability to overcome temptation? Explain your answer.

Dave talked about the power of symbols in the Bible (rainbows, baptism, communion). Can you talk about any spiritual symbols or a keepsake, or a childhood Bible or something that holds a spiritual significance in your life?

Dave said that communion is a time of commemoration, examination and participation. Of those three, —which area do you need to give greater attention to when you take the Lord's Supper?

Does Satan ever try to get you to question whether the blood of the Lamb can truly cover over all of your sins? (Do you ever doubt that Jesus can truly pardon you from your past?) Why?
