

# MESSAGE APPLICATION GUIDE

JUST JESUS  
suffering king  
MARK 13:1-13

## Application

On a Scale of 1-10, how passionate are you about the study of End Times? Why?

1—means you are a Panmillennialist (Not too concerned, just living for Jesus, besides it will all “pan” out in the end)

10—means you devour books on the topic and you wish it was preached on every weekend!

---

---

---

Can you give an example of a time when you have been persecuted or ridiculed because of your Christian faith? What happened and how has that experience shaped you since then?

---

---

---

---

At any point in the last 3 months have you ever started to think, “We may be entering into the final chapter and Christ’s return” or “The end time events are very close.” If so, what was the world or national event that caused you to think that? What did you learn from the sermon that God wants you to do in response?

---

---

---

---

With all that has been going on in 2020, (worldwide pandemic, racial tensions escalating, etc.) how open do people seem to be to spiritual conversations? Who is one person you can intentionally pursue this week to “plant seeds”?

---

---

---

---

Let’s go a layer deeper, and answer this question: “Do you think that others know whose side you are on?” (Do your neighbors know? Your co-workers? Your extended family?)
