

MESSAGE APPLICATION GUIDE

Matthew 6:11, Exodus 16

APPLICATION

TEACH US TO
Pray

Share how you have seen God be faithful in your life or in the life of someone you know, and how that helps you trust Him for your future.

Pastor Tommy started the message with an example from rock climbing where he waited until the last second to ask for help. We sometimes approach prayer that way. What are some areas that you need to not wait to ask the Lord for help?

Read Exodus 16. What is the Holy Spirit highlighting to you as you read it? Why?

Explain how praying "Give us this day our daily bread" can help you in your spiritual, physical and emotional life

Look at your week ahead. Set a time when you are going to pray, "Give me my daily bread". Discuss ideas for how you can remind yourself to pray, how you will encourage one another that you're praying, and how God is working in you and for you.
