What are examples from our world where you see **US versus THEM**? What can Christians do to engage in those areas?

Which word in Matthew 6:12, 14-15 jumps out to you the most while you read it? Why?

What are the big differences between “positional forgiveness” and “relational forgiveness”? How should that affect you in coming to the Lord in confession and repentance?

Pastor Tommy taught that because we continue to sin we have a continual need to ask for forgiveness. How does that help your relationship with God? How can you make that part of your daily walk with Jesus? What might you need to confess to God right now?

Extending forgiveness helps us to live as **US and THEM**. Are you harboring unforgiveness towards someone in your life? What is keeping you from forgiving them? How can you work toward forgiveness?
