### APPLICATION

**We live in a hopeless world. How can hope in God help someone to walk confidently into tomorrow?**

---

---

---

**This weekend we talked about how hope is the confident expectation that God will keep His promises. How much hope do you sense in your life? Have you ever hit a point where you have felt hopeless? What did you take from this message to help you abound in hope moving forward?**

---

---

---

**What are ways you're in unity with your brothers and sisters in Christ? What is a way that you're not in unity with a brother or sister in Christ? Why? What can you do this week to move toward unity?**

---

---

---

**When Pastor Eddie talked about welcoming all people, was there a point that you sensed the Holy Spirit telling you that is an area He wants you to grow in? What is one way you could put that into practice this Christmas season?**

---

---

---

**As a church, we can unite around our mission. What is the mission of our church? Who is one life you can invest in next year to help them grow more in love with God?**
