

IN A DISAPPOINTING WORLD

THE BOOK OF RUTH
WITH DR. MICHAEL RYDELNIK

Message Application Guide

APPLICATION

The main point that Dr. Mike shared is that if we obey God faithfully, then God will faithfully meet our needs. Be honest with what you find challenging about living out that principle; and share how this message encouraged you to press on in faithful obedience.

Read Ruth Chapter 2. Make 4-5 observations about what you see in the passage. For example: What was happening? What might the people be feeling? How is God working?

Dr. Mike shared four reasons why it seems like our needs are not always met. Which one meant the most to you? Why?

Dr. Mike listed three steps you can take as you wait for God to meet your needs: determine concrete steps to take, trust the situation to the Lord through prayer, look for God's providence. Which one are you going to apply this week? What can you do specifically to make that part of your upcoming week?

Finish by taking time to share with one another one or more ways that God has met your needs in the past, and how that waiting increased your dependence on Him.
