

Message Application Guide

Psalm 23:1-4

YES I WILL

APPLICATION

Do you have a favorite worship song? If so, share that with your group and how it has ministered to you.

The three steps Eddie shared to “keep walking” are: (1) Be in God’s presence, (2) Be in God’s Word, and (3) Be with God’s people. In the next month, which one of these can you be leaning into more? What specific and realistic steps can you take to make those part of the fabric of your coming weeks? As a group, what can you do to encourage each other as you aim to keep walking?

We were reminded that Psalm 23 says we “walk” through the valley. Have you had moments when you tried to run in the valley? Or have you stopped in the valley? What was that like? How did you experience God helping you to keep going?

Read through the story in Acts 27 of Paul and the shipwreck. What stands out to you as relatable in this story? Where do you see God’s nearness to them and what attributes do you see of His?
