Psalm 23:5-6

YES I WILL

APPLICATION

This week we concluded our series “Yes I Will” going through part of one of David’s most well-known psalms. Take a few minutes to reflect on which part(s) of this series has impacted you the most.

Your cup overflows with blessing because the Lord IS your cup. Do you sense that you are worshipping as if your cup is full or as if your cup overflows?

God’s goodness and mercy (lovingkindness) are pursuing you. Share a story with your group of how you have seen God’s goodness chase after you in life.

You have a reason to praise. It’s about choosing to respond to the Lord. In what ways do you think you can grow in your responses to the Lord in worship?
