APPLICATION

In this week’s God at Work video, a line from a song was quoted that said, “I searched the world, but it couldn’t fill me.” What are some the ways in which people try to be filled by the world? With which one might you be tempted to wrestle?

In Ephesians 3:1-13, the word “mystery” is used numerous times. What is this mystery that Paul is referring to? Why was it a mystery? What most interested you in what you learned about God’s plan for revealing the mystery?

Our shared faith in Jesus Christ unites us in one family: the Church. What kind of family would you say our church is? Obviously, we are not a perfect family, yet Christ calls us to be more like Him with each other. What is one specific way in which you can reflect Christ to another member of the body of Christ this week?

Paul had a radical conversion to Christ, which is probably why he still referred to himself as “the very least of all the saints.” No matter what our pasts are like, when we embrace Christ as Savior we share equally in His inheritance. This week, how can you honor God by sharing with others “the mystery” that was made known to you?

As a follower of Christ, we are united in Christ, we are part of a family which is the Church, and we have a purpose in life. What is our purpose as Christ followers? How can we help each other exercise that purpose?

Finally – let’s continue to be in prayer for our new teaching pastor (Jeff), his family and the church they are leaving.
