

# MESSAGE APPLICATION GUIDE

## ROMANS 8:1-13

THE ROAD  
TO REALITY

### APPLICATION

In this season, and in light of the past several months, share some things for which you are thankful.

---

---

---

Romans 8:1 promises, "There is no longer condemnation for those who are in Christ." How are you doing at embracing that reality as your identity in Christ: struggling under feelings of condemnation or living consistently in victory in Christ? Who can you share or encourage with that?

---

---

---

What does it mean to set your mind on things of the Spirit? What are 1-2 specific practices you can put into place this week to help you do that?

---

---

---

Share with your group or a trusted friend how you are or are not experiencing the "Abundant Life" right now, and why.

---

---

---

Take the time this week to read through Romans 8:1-13 and meditate on it. Ask the Lord to reveal Himself more fully to you through His Word.
