---

**Read Ephesians 1:4-6. What difference can it make to a person knowing that God chose them before the foundation of the world?**

---

---

---

---

**How are you at embracing your identity as one chosen by God to be a "trophy of grace"? Why?**

---

---

---

---

**Dr. Mike invited you to write out 14 benefits you've received from God and review 2 per day. Take time to share your lists or make one together. Then, consider a simple, creative way to share those benefits with another during the week.**
