

When It Feels Like the Plan Fell Apart

Pastor Tommy Creutz | 1 Kings 17:17–24

1. Read 1 Kings 17:17-24. What observations about the text stick out to you the most?

2. Have you ever felt like the plan was falling apart? Share your experience with that.

3. Why do you think we search for explanations when things seem to be crumbling?
Does that move toward or away from prayer?

4. Do you pray big, impossible, unprecedented prayers like Elijah? Why or why not?

5. If you viewed your trial or hardship as training and preparation – how would that change
how you walk through it?

6. What do you feel like God is preparing you for maybe even this week?
