

Death by Discipleship

Dr. Jeff Bucknam | Acts 7:54–60

1. What stories of Christian commitment have been a source of encouragement to you over the years? Why?

2. Why is Stephen on trial? What is Stephen’s critique of those putting him on trial? Does he have a case?

3. Why does it seem so many professing Christians are not practicing their faith? How should churches address this issue? How are they addressing it now?

4. How do you help yourself to not be stubborn in your submission to God and His Word? What practices help keep your heart soft?

5. Why are we so quick to assume that the present enemies of God and his church are irredeemable? Have you ever known someone like Saul who opposed God openly and then came to faith in Jesus later on?

6. According to Romans 8:29, Christians are being conformed into the image of Jesus. What does this mean? What are the implications for this regarding our difficulties and sufferings?
