

Words to Those Far from Jesus

Pastor Jeff Thompson | Acts 9:1–19a

1. Who do you know that you would consider “far from Jesus”? Take the time right now to pray for them by name that the Lord would reveal Himself to them.

2. When did Jesus save you? What did He use to bring you to a place where you recognized Jesus as your Savior?

3. What events or situations can you point to that are clear mercies in your life?

4. What commands of the Lord are difficult for you to follow?

5. How do you view suffering that happens in your life?

6. What can we do to remind ourselves that no person is too far gone for the Lord to reach them and no situation is too difficult for the Lord to work?
