

DIRTY CHURCH

PART 2

Lay It Down

Pastor Tommy Creutz | 1 Corinthians 9:1–18

1. Read 1 Corinthians 9:1-18. What stands out to you the most as you read through it?

2. What rights do I have as a Christian? What are some of my Christian freedoms in the category of adiaphora (disputable matters)?

3. Have you ever thought about how those freedoms might put obstacles in the way of the gospel for people in your life? Can you think of any right now?

4. Do you tend to think of your rights selfishly? how can you do better in considering others and the mission of Christ?

5. What are some freedoms that you need to lay down for the sake of unity and the gospel this week?

6. How can you view your laying down of rights as a privilege instead of a curse?
