

DIRTY CHURCH

PART 2

Table Manners

Pastor Tommy Creutz | 1 Corinthians 11:17–34

1. Read through 1 Corinthians 11:17-34. What sticks out to you most? Why?

2. What are some examples where our gathering can be for the worse instead of the better? (v17)
How do we guard against that and make sure in all things the gathering of believers is
for the better and not the worse?

3. What is an example where you did the right activity but in the wrong manner? How can you
think more about your manner?

4. Has communion become a simple ritual to you? How can you find more meaning in the
Lord's supper this week?

5. Why is taking communion together as a church so important?

6. How do you or what does it look like to prepare yourself spiritually before participating
in the Lord's supper?

7. Is there any division you have with a brother or sister in Christ that you need to reconcile to?
How will you do that this week?
