

DIRTY CHURCH

PART 2

Gifted

Dr. Jeff Bucknam | 1 Corinthians 12:1–11

1. Who do we tend to put on a pedestal in the church? Why? What gifts do we view as especially valuable in our church?

2. Have you ever witnessed someone using a spiritual gift in a self-aggrandizing way? Where and when? How do we limit this kind of action in the church?

3. How would you counsel someone to find out what their spiritual gift is? How did you find out what your gift is?

4. Ask the rest of your group what gifts they see the Spirit developing in you.

5. Why is it hard for us to believe that God has made us in a particular way and placed us in a particular situation to accomplish something for his Kingdom there?

6. What do you think God is calling you to do based on how His providence and gifting has worked in your life?
