

DIRTY CHURCH

PART 2

A Church for the Gifted

Dr. Jeff Bucknam | 1 Corinthians 12:12–31a

1. Do you have a testimony of coming from a hard background to Christ or did you grow up in the Christian church? What are the benefits of each?

2. What gifts are the most highly regarded in the church? Why? Which are the least highly regarded? Why?

3. How can we show greater honor to the people who are gifted in ways that aren't as highly regarded but are necessary in the church?

4. What do you expect from the gathering of the church? What things should happen during church services to edify those who attend?

5. Why is there so much competition between churches and their leaders? How have you seen this play out? How can we stop it from happening?

6. What do you think about the gift of tongues and prophecy? Are they for today?
