4. How would you summarize this passage in one brief sentence?

5. In what ways does seeing others faithfully use their gifts motivate you to discover and use yours?

6. What can we learn from the fact that, though the gift of tongues was being misused, Paul didn't "cancel" the gift?

7. Which of the five indicators of a heart problem, from the message, are you most prone to and why?

8. Which of the three "lessons" from the message do you need to apply most and why? What does that look like for you?
