

DIRTY CHURCH PART 2

The Resurrection Body

Pastor Jeff Bucknam | 1 Corinthians 15:35–58

1. What do you think our resurrection bodies will be able to do? How will it be different than what our bodies are like now? How will it be similar to what our bodies are like now?

2. What are you most looking forward to when you receive your resurrection body? What struggles in this current body do you most dislike?

3. Why does Paul call the questioner from 1 Corinthians 15:35 a “fool”? What is the questioner guilty of that makes him a fool? How can we be guilty of being foolish in this way?

4. Why are we so prone to leave an appreciation of God’s love for us and His power out of our reflections and plans regarding our lives? What effect does it have on us when we consider God in all our plans and circumstances and hopes?

5. How does the knowledge and nature of the resurrection contribute to our persevering in faith? How can we be more steadfast and immovable in our following of Jesus?
