What do you want to know?

Politically Charged

Pastor Tommy Creutz | Various Scriptures

1. Read Philippians 3:17-21 and Romans 12:9-21 What stands out to you in those verses?

2. How have you felt, as a Christian, you have represented Christ in the public square of politics in the past few years?

3. The Wesleyan Quadrilateral is an illustration to show what lens we wear to see truth—Experience, Tradition, Reason, and Scripture. Which lens do you find you most often wear? Why is it so important we use scripture as our lens to view all other truth?

4. In what ways have you focused on earthly things, wrong allegiance, and hope in the wrong areas? How can you take steps to bring your allegiance more in line with Christ?

5. In the list of Romans 12:9-21, what do you struggle with the most? How can you better show the Christian ethic to those around you starting now?

6. How can you get more involved, not just with political talking points, but living out the Christian ethic in our world and the public square?

7. How can you be a better ambassador of Christ in the political realm?
