What are We Even Doing Here?

Dr. Jeff Bucknam | Various Scriptures

1. Do you find it helpful to know what your church's particular vision is or does it not really matter? Why?

2. In what ways has God prepared you for what you are facing right now? What are some of the unique traits people in your group have that the Lord is using in their lives and the lives of others?

3. What kinds of things would you recommend a new Christian do to become "deeply rooted" in Christ? When you have faced suffering, what kinds of truths about God have you been thankful you've known to help you bear up under it?

4. Why is it so hard for us to trust that the Lord has good goals for us when we are suffering? Why do some people get bitter towards God when they suffer and others trust Him knowing He is seeking their good?

5. What kinds of things cause those who call themselves Christians to not persist in their faith? What can we do to help ourselves or one another persist in the faith?
