

MESSAGE APPLICATION GUIDE

I Thank God for You

Dr. Jeff Bucknam | Various Scriptures

1. What would you love to see happen at Harvest this year?

2. How have you seen God grow a spirit of humility at Harvest over the last years?

3. How do you feel when a sermon is true to a passage that is hard to hear? How can sermons on hard passages be done well? What should be avoided?

4. Why do you think Harvest has been such a generous church? What are the areas in which we could be more generous? What would God have to do or give you insight into so that you're more generous individually?

5. Why is it so important to verbally express how we give thanks to God for our family, friends, and church? Why is this such a sorely lacking aspect of the way we speak with one another?

6. How have trials in the last year made you a more mature Christian?
