

ECCLESIASTES

It's My Pleasure

Dr. Jeff Bucknam | Ecclesiastes 2:1–11

1. Do you think that one of the largest goals in the lives of people in our society is the accumulation of creature comforts? Why or why not?

2. Why do we keep looking for material possessions to make us ultimately happy when we have been let down so often by them in the past?

3. Is enjoying creature comforts wrong for a Christian? Why or why not?

4. Why do we think we can have a little heaven on this side of heaven? Is it possible? Why or why not?

5. How does Romans 8:19-21 help shed light on what “heel” is in Ecclesiastes? How do you experience the “futility” of living in the fallen world? How will the New Heavens and New Earth be different?
