

STRANGERS

IN A STRANGE LAND

Wholly Holy

Pastor Jeff Thompson | 1 Peter 1:13–25

1. Read 1 Peter 1:13-25. What main concepts stick out to you? What is encouraging? What is challenging?

2. Who is a person you have sought to imitate at some point in life? What made you want to imitate that person?

3. What comes to your mind when you think of holiness?

4. How do you react when you hear we should fear God? What do you think it practically looks like to fear God?

5. How do you feel that we will each have to give an account of ourselves to God?

6. How have you found God's Word to be something that "remains forever?"

7. Read Luke 10:29-37. Who are the types of people who are more difficult for you to love? What other key principles do you see in this text?

8. What practices, actions, thought patterns, or attitudes do I need to change so that I can be different from the strange land I don't belong to? How can you put some of these into practice this week?
