

STRANGERS

IN A STRANGE LAND

Pitfalls

Pastors Ramirez M., John N., Tommy C., Jon B. | 1 Peter 5:1-5

1. What does it look like to shepherd someone and to exercise oversight over them? Where have you seen a good example of this?

2. What can we all learn and apply from the challenges given to elders in verses 2-4?

3. Why is it often more difficult for younger people to submit to authority? Share a time when you didn't submit to authority and it didn't go well for you.

4. Does our world value or look down on humility? Why?

5. How will things be different this week as you look to approach every person with a heart of humility?
