

THE Church

Why Grow?

Dr. Jeff Bucknam | Various Scriptures

Ice Breaker:

When did you first come to Harvest? What made you want to come back?

Understand their story:

Read Romans 6:3-4. What does this say about the importance of baptism and why is it important in our walk with God?

Read Acts 2:42-47. What made community important in the early church?

Connect to His story:

What are some reasons given in the sermon for why God designed us to live in community?

Read Proverbs 18:1. Do you remember a time where you wanted to isolate yourself, but chose community instead?

Apply to our story:

Which of these three areas—baptism, groups, or membership—do you need to step out in faith and apply in your life?

Accountability:

If you've not been baptized or committed to membership yet, what is holding you back?

What steps do you need to take to ensure you finish the race well and persevere until the end?

Parenting Moment:

Take a moment this week to ask your child where they want to grow in the Lord. As they share, help them make a plan on how they can best grow in that area.
