

THE Church

Why Go?

Dr. Jeff Bucknam | Various Scriptures

Ice Breaker:

What's the most memorable act of kindness you've ever received?

Understand their story:

Read Ephesians 1:3-14. What does this passage say about Christ? What does it say about believers? How does that inform Ephesians 2:1-10?

Connect to His story:

According to Ephesians 2:1-10, how does being saved by grace through Christ shape our understanding of salvation?

How does it shape our understanding of our purpose as God's workmanship?

Apply to our story:

Read John 13:12-17. How does the story of Jesus washing his disciples feet inform what our service as believers looks like today?

Where are you uniquely planted or what are the spheres of influence unique to you? Is there someone(s) who God has put in your path to share or plant seeds of the gospel?

Accountability:

How can you be faithfully present this week where you are uniquely planted?

Parenting Moment:

Ask your child if there is a friend they could encourage with God's love this week. Help them think of ideas on how to do this (examples: write a kind note, spend their allowance on someone else, remind them Jesus loves them, pray for them)
